

Late Summer Newsletter

We hope everyone has had a pleasant summer and is enjoying this short break from the heat!

Late Summer / Fall Hours:

Mon. – Sat. 8-5
Sunday Closed

Plant Reminders:

Plants can take a year or more to get their roots established. Make sure that any shrubs or trees you planted in the spring are still getting watered regularly. Running a soaker hose or putting a regular hose to a slow trickle for approximately 30 - 45 min. twice a week should be enough. As always, dig down in the soil next to the root ball about 8" to see how much moisture the area is actually holding, and adjust your watering amounts accordingly.

For Your Information:

The real reason for this newsletter is to remind you of our **Labor Day Sale!!** The sale starts TODAY with 25% off all plant material (trees, shrubs, grasses, perennials...). The 25% Sale runs through Friday, August 29th. We will have regular store hours during this time. Our 50% off sale is on Saturday, August 30th and Monday, September 1st. Our hours on Saturday are 7am – 5pm. Monday hours are 10-3. As always, on Saturday we will have hotdogs, chips, drinks, and cookies for everyone. Get here early – the line at the gate usually

starts forming at 6:30. To make everyone's job a little easier, please come several days before the big sale and decide on / locate the plants you would like to purchase. Our regular sales staff will be available during this time to answer any questions you may have.

We hope to see you over the next few weeks!

Gerry, Lisa, Ann, and Cara
